

ATCHISON'S EATERY

- SINCE 2004 -

We have had fun creating our latest menu using a variety of **Vegetarian, Vegan, Gluten Free & Dairy Free** Recipes, we have noted next to the applicable dishes where this is the case.

We do have nuts, gluten and other ingredients used in our kitchen though, that you may need to avoid, so please ask to speak to our manager if you have a concern or you have a particular dietary request.
